

HORSE

Footprints

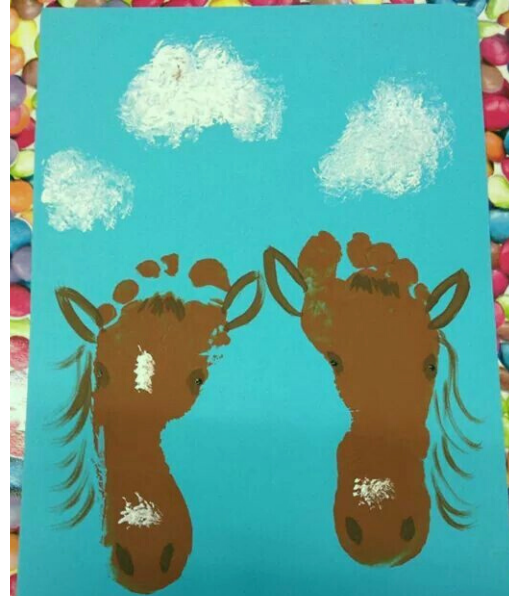

The Kentucky Derby is on May 1st this year! Here's a fun craft you can do with your child while you **TALK** to them about horses.

Materials Needed:

- Brown paint
- White paint
- Brown or black marker
- Googly eyes
- Construction paper
- Large, spongy paintbrush

Make Horse Footprints:

1. Paint your child's feet brown and have them place one or two feet on a piece of construction paper
2. Once the paint dries, use the marker to draw the ears, mane, and nostrils
3. Use white paint to add markings to the horse's face
4. Add googly eyes
5. Decorate the background construction paper however you want!
