## How to Make a Puppy Foot:

1. Dip your little one's foot into the brown paint.
2. Stamp their foot onto the white construction paper.
3. Dip a paintbrush into the brown paint.
4. Paint ovals to represent the puppy's ears and a swirly line to represent the puppy's tail.
5. Wait for the brown paint to dry.
6. Once the paint is completely dry, draw a thick red line across the width of the footprint to represent the dog's collar.
7. Take your black marker, crayon or colored pencil to draw the dog's face.
8. Use your scissors to cut an oval around the footprint.
9. Show off your puppy foot!
