Make Your Own Pumpkin Plate:

1. Cut the orange tissue paper or construction paper into multiple shapes and sizes.
2. Glue each piece of the cut-up orange tissue paper or construction paper to the paper plate.
3. Use a pencil to help your little one trace their hand onto the green construction paper.
4. Cut out the traced hand from the green construction paper.
5. Cut a small rectangle from the brown construction paper.
6. Staple the brown rectangle to the middle of the "top" of the paper plate to represent a pumpkin stem.
7. To the side of the brown rectangle, staple your little one's cut-out hand to the paper plate to represent a pumpkin leaf.
8. Enjoy your pumpkin plate!
